

Closed Access to Information Requests for Program Information (July 2019)

Request Number	Public Body	Response	Fees Paid	Request Summary
A-7851	Community Services	No Records Found	No	Is some kind of log maintained by the Office of the Yukon Superintendent of Securities, as provincial securities commissions maintain, of disciplinary actions taken against individuals/companies in the Yukon? If there are no cases to report, this would be to know. Interested in obtaining (1) information on the name(s) of the defendant(s)/date of settlement/sanctions/fine(s)/violations and any other information that might be kept on each convicted case and (2) a list of paid/unpaid fines. Timeline: January 1, 2007-June 1, 2019.
A-7869	Community Services	No Records Found	No	Number of injuries (broken down by type if available) and deaths of authorized technicians and electricians working on solar photovoltaic equipment (data can probably be found through Yukon Workers' Compensation, Health and Safety Board), number of all known injuries and deaths caused by solar photovoltaic equipment, of persons not covered under Yukon Workers' Compensation, Health and Safety Board, during installation, the lifetime of the solar panel, maintenance and decommissioning. The likely hazards of photovoltaic are an electric shock or starting a fire. The response may include anonymized aggregate hospital data or any other data set, or a statement saying "no data available" if no government body collects this data, and a \$ figure giving the total annual property damage cost caused by all solar photovoltaic initiated fires on buildings, or a "no data available" statement as above. Timeline: January 1, 1985 - July 1, 2019.
