A-7616	Highways and Public Works	Partly Granted	No	I am looking for all information related to an incident involving an emergency response at a Yukon government Rest Stop located at km 1328.5 Alaska Highway on February 16-18, 2019. The incident involves a tanker trailer leaking an LNG vapour cloud at the Rest Stop for approximately 36 hours. There were at least 2 or 3 Yukon government departments that responded to the scene but other YG departments may have been involved that did not respond to the scene. On-scene responders that I know of: Highways and Public Works (Carrier Compliance and Transportation Maintenance), Environment and/or Community Services (Emergency Spill Line responder), RCMP, Marsh Lake Volunteer Fire Department, other contractors, and KBL Environmental. I would like the initial incident report and all related correspondence, including investigations, reports, recommendations, and enforcement actions related to this incident. I also request all future reports related to this incident that may not be completed yet.
